Chinese storytelling / Chinees voorlezen

Reading to kids is important and magical. It builds up the way not only to stimulate their imagination, to develop their potential toward languages, but also to increase their vocabulary and to contribute to their interactive skills. It also provides a lot of fun for them. That is why Chinese storytelling is here for your kids.

Storytelling in BestSerena Wang, along with volunteers from various backgrounds, initiated a series of storybook activities for children in the local community. After moving to the Netherlands with her family in 2019, she became committed to fostering the language development of her children in Chinese and began teaching at the Eindhoven Chinese School. For the past four and a half years, she has dedicated herself to promoting Chinese language learning, particularly for children aged three to seven through these engaging storybook activities.

Best Library is happy to invite you and your kids in the age of 3 to 7 years old, to join in with the Chinese storytelling sessions. Sessions in Mandarin.
